HALCYON SIGNITURE FACIAL

Meet our Halcyon signature facial, It has all the added extras of luxury we could place into a treatment. We describe it as the PERFECT gift to yourself or another.

In this treatment we do everything that's included in the classic facial but with a hot stones massage all over your tense and knotty shoulders , sweeping onto your face to melt away your stress at the temples, in addition we work much deeper into the skin and incorporate more products to help with your specific skin needs. Suitable for sensitive skin.

80 minutes - £65
