# HALCYON TRANQUIL PACKAGE

The Halcyon Tranquil package, designed for complete serenity and relaxation for the guest. We begin the treatment with a soothing Swedish full body massage where we concentrate on how to completely relax every area of the body from top to toe. Afterwards we move smoothly onto our Halcyon back detox. This focuses on giving your back , often one of the main areas of aches and pains, an extra dose of TLC with a full detoxifying cleanse and replenishing moisturise. The final treatment step in this tempting package is our express facial.

This combination of deluxe treatments is designed to give you that complete circle of care, with relaxation to the core and uplifting notes so you leave feeling tranquil.
